

TEACHING CONSENT

SECTION ONE:

Consent is an _____ between individuals that is enthusiastic, _____, and continuous. When to Consent?

- **Principles of consent include:** (Circle the principle that you will focus on teaching first.)
 - Respect
 - Boundaries
 - Communication
 - Ability
 - Ongoing

SECTION TWO:

My Child's Name: _____ Age: _____

How will I explain the principle I've circled above?

What examples of this principle can I provide that my child will understand?

How will I know if my child understands what I'm teaching?

What are some possible goals I could make with my child that will help us practice consent in our relationship and home?
